

# CAMPSITE 411

**Information you need to know to make your experience at our camp facilities the best ever!**

**What is provided for us at each campsite/cabin?** Each unit (tents or cabins) is unique and special but you can expect to find certain unit equipment in every unit which includes: cast iron for cooking over the fire (dutch oven and frying pan -one large and one small of each); one rake; one shovel; two metal buckets; two brooms; one fire extinguisher; three dish pans; one trash can; clearly posted directions to the nearest hospital and clearly posted emergency weather procedures. Some cabins come equipped with almost everything you need for your weekend, others have basic cots or mattresses for sleeping only (you cook over the campfire). Most of our tent units have flush toilets, but some have latrines so read the description for each unit closely! Be sure to bring basic cleaning supplies with you each visit (to clean the bathrooms and kitchens). Each unit has a posted kaper chart for use when preparing for check out at the end of your visit.

**How accessible are the units for people who use a wheel chair or have limited mobility?** Accessibility is different at each camp and unit. Each campsite and many of the program areas are listed by camp and campsite so that you can determine if the unit will meet the needs of everyone in your troop/group. Every effort is made to accommodate needs if we have prior knowledge of the need, however we cannot guarantee that every area of the camps is barrier free or wheelchair accessible.

**What about parking, unloading and loading?** Park and unload your car only in designated parking areas. Do not drive in the grass! Follow the ranger's directions for parking, if there is a parking lot available you are required to park in the parking lot. Expect to transport most of your supplies to and from your unit. Most camps have carts for you to load with heavy items such as filled coolers, heavy food boxes, etc. Participants should be prepared to carry any personal gear. Special arrangements can be made for persons with mobility needs if we have the information in advance of your arrival. Parking close to units is available for persons with valid parking permits.

The Girl Scout Council of Greater Atlanta, Inc. is committed to providing excellent customer service to all who visit our council facilities. Please contact the Property & Risk Manager at [gdeangelo@gsgatl.org](mailto:gdeangelo@gsgatl.org) with any comments or concerns.

### CABIN VILLAGES Two villages

**Each cabin rents separately – see cabin description for capacity**

Fee per weekend: \$75 per cabin

Fee per day: \$50 per cabin

Four cabins with bunk beds are clustered around fire rings, unit shelters and a central bathhouse with hot and cold showers and flushing toilets. A fire ring and half of a unit shelter is reserved for each cabin. All cabins share the bathhouse with two cabins sharing each side. Troops cook over the fire ring or charcoal grill – there are no kitchen facilities. You must provide your own toilet paper, paper towels, hand soap, heavy-duty garbage bags and cleaning supplies.

No crafts containing glue, glitter, paint, wax or tie-dye inside the cabins – must be done in outdoor shelters.
